Safety Account Representative

We will work to schedule a convenient time to discuss new products and new authorized providers to service your employees.

Follow-up Calls

We value all of our customers. In an effort to exceed all of your specific needs, we commit to provide excellent communication, periodically contacting you to make sure that you are completely satisfied. We will work to provide personal exceptional service.

Eye Screen Testing

Focus Safety utilizes a Model 400 Titmus Vision Screener. This machine may be brought to your company by your account representative to screen your employees in order to determine their need for prescription safety glasses.

Each test performed will be accompanied by employee specific documentation that includes name and test score and will be submitted to Human Resources. Each test cost \$29
